### **For your pleasure!**

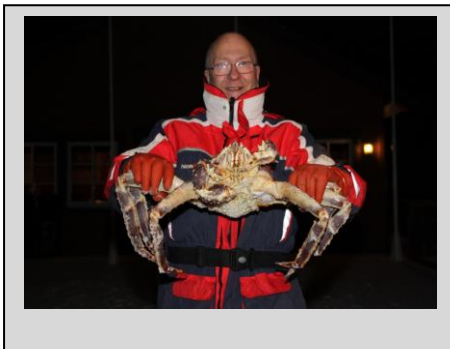

Are you tired or you feel you are burnt-out? Do you feel you need peace and silence to come in balance? Then we advice you to stay some days in Lysthuset.

Relax in the nature park around Lysthuset. Sit down on the outdoor fireplace with barbecue and feel the time stop.

You can stay a long weekend, a week or a longer period.

Our russian manager can make a program for you and assist you during your visit.
